## Cougar Hour Registration Information

### ESP

**Grades:** Kindergarten - 8th Grade

**Description:** The Lower and Middle School Extended School Program (ESP) provides safe and enriching activities for Kindergarten to 8th grade students after dismissal. The program operates daily from 3:00pm-6:00pm. All students participating in ESP must be registered.

**Start Date and Term:** Monday, August 15, 2022 through the end of the school year

**Time:** 3:00-6:00

**Register:** <https://payit.nelnet.net/form/WeWVywUW>

### Spanish

**Grades:** Kindergarten - 5th Grade

**Description:** Your child will love Brilliant Bilingual's fun Spanish program! Open to K-5 students of all proficiency levels, the Spanish Café uses authentic speaking and literacy activities to help students express information about themselves and about the world around them in Spanish!

¡Gracias y hasta pronto!

**Start Date and Term:** Monday, August 22nd - Monday, December 5th

**Time:** 3:00-4:00

**Fee:** Fees apply, paid directly to the vendor

**Register:** <https://www.care.com/connect/brilliantbilingual/series/74570-holy-spirit-preparatory-academy-spanish-cafe-fall-2022>

### Boys Club

**Grades:** 1st - 8th Grade

**Description:** Boys club will be geared towards helping form boys in 6<sup>th</sup> – 8<sup>th</sup> grade as mentors and examples of virtue for the boys in 1<sup>st</sup> – 5<sup>th</sup> grade. The middle school boys will help the younger boys prepare presentations and a few will be chosen each time to organize games for them. There will also be some opportunities to serve some communities in need.

**Time:** 3:00-4:00

**Start Date:** Tuesday, August 16th

**Register:** Email Father Andrew at [agronotte@holyspiritprep.org](mailto:agronotte@holyspiritprep.org).

## **Robotics**

**Grades:** 1st - 5th Grade

**Description:** The Stemtree Robotics program uses the wonder and genius of robotics to inspire students and help them learn engineering and robotics. Students will apply their knowledge and skills of basic science, model construction, computer programming, and problem solving to explore these topics. Our robotics program offers a structured, yet flexible curriculum that gives students a solid foundation and necessary skills to think critically, problem-solve, build solutions. It is both a perfect introduction to the world of robotics for younger students and an opportunity to expand the knowledge base of older students. During each of our programs, we will assess each student's proficiency in robotics & engineering. Students will be placed in groups of two based on their school grade and results of the assessment (with students of similar skills placed together). Students will use Lego WeDo 2.0 kits provided by Stemtree to build and program their robots. Students in 4th grade and higher will use Lego SPIKE Prime kits provided by Stemtree. \*Visit [www.stemtree.com/buckhead](http://www.stemtree.com/buckhead) for more information or call 678 819 2386.

**Time:** 3:00-4:00

**Program Cost** – Fees apply, paid directly to the vendor (Program costs are as indicated and inclusive of student material; e.g., laptops, tablets, robotics kits, etc., student progress binders, software, USB drives, and student assessments. Stemtree will provide all supplies that are needed to conduct sessions)

**Start Date and Term:** Wednesday, August 24th - Wednesday, November 9th

**Register:** <https://stemtree.jumbula.com/HolySpiritASP/RoboticswithStemtree>

## **Advanced Robotics**

**Grades:** 6th - 8th Grade

**Description:** The Stemtree Robotics program uses the wonder and genius of robotics to inspire students and help them learn engineering and robotics. Students will apply their knowledge and skills of basic science, model construction, computer programming, and problem solving to explore these topics. Our robotics program offers a structured, yet flexible curriculum that gives students a solid foundation and necessary skills to think critically, problem-solve, build solutions. **Time:** 3:00-4:00

**Program Cost** – Fees apply, paid directly to the vendor (Program costs are as indicated and inclusive of student material; e.g., laptops, tablets, robotics kits, etc., student progress binders, software, USB drives, and student assessments. Stemtree will provide all supplies that are needed to conduct sessions)

**Start Date and Term:** Thursday, August 25th to Thursday, November 11th

**Register:** <https://stemtree.jumbula.com/HolySpiritASP/AdvancedRoboticswithStemtree>

### **Girls Challenge Club Jr.:**

**Grades:** 1st - 4th Grade

**Description:** Girls Challenge Jr. is a club for 1th – 4th grade girls to come together in faith, friendship, and fun, helping them to know, understand and love Christ, themselves, and others better.

**Time:** 3:15-5:00

**Start Date:** Thursday, September 8th

**Register:** Please email Ms. Elizabeth Stromberg for more information at [estromberg@regnumchristi.net](mailto:estromberg@regnumchristi.net)

### **Coming in January:**

#### **Gymnastics**

**Grades:** Kindergarten - 8th Grade

**Description:** The children will learn the level 1 and 2 fundamental skills of gymnastics on the uneven bars, floor exercise, vault and balance beam. We provide professional instructors and a variety of age appropriate equipment and training aids for our classes.

Your child will develop confidence, strength and coordination as they learn essential skills including forward and backward rolls, bridges, handstands, cartwheels, round offs, pull overs and casting on bars, hops, walks and runs on balance beam, leaps, jumps and turns etc.

**Fee:** Fees apply, paid directly to the vendor

**Start Date and Term:** January - April

**Time:** 3:00-4:00

**Register:** [airbornegymatl.com](http://airbornegymatl.com) after August 1st

**Girls Challenge Club:****Grades:** 5th - 8th Grade**Description:** Girls Challenge Club is a club for 5th – 8th grade girls to come together in faith, friendship, and fun, helping them to know, understand and love Christ, themselves, and others better in order to experience the joy of spreading their faith through service projects.**Time:** 3:15-5:00**Start Date:** Thursday, September 8th**Register:** Please email Ms. Elizabeth Stromberg for more information at [estromberg@regnumchristi.net](mailto:estromberg@regnumchristi.net)**Girl Scouts****Grades:** 4th and 5th Grade**Description:** Every Girl Scout has their own curiosity, dreams, and talents—so when they come together to decide which of the thousands of Girl Scout activities to try, the sky's the limit. Whether visiting an animal shelter, camping, hosting a dance-off, or filming a movie—they're learning to take risks, trust their gut, and team up with others for good.**Time:** 3:00-4:00**Start Date:** Friday, September 9th**Register:** Please contact Meghan Pietrantonio for more information at [meghan.pietrantonio@gmail.com](mailto:meghan.pietrantonio@gmail.com)
