## [Link to Ceramics I & 2 Supply Fees \\$120](#)

Due: Aug 8th, 2023

Dear Ceramics Students and Parents/Guardians,

I hope you are having a fantastic summer and getting much-needed rest and time to recharge your creativity!

Mrs. Martinez and I are very excited that we will be co-teaching Ceramics and 3D design this upcoming year! You are receiving this email because you or your child has signed up for the Ceramics Class for the Fall and 3D Design for the Spring.

[Click here](#) for the "Welcome to Ceramics" Video where you can view many examples of clay projects we might be exploring this Fall. [Click here](#) for the "Welcome to 3D Design" to see examples of 3D sculpture projects we might explore in the Spring.

To enhance the ceramic curriculum and empower the students to reach their ceramics and 3D potential, we will be purchasing clay and carving tools, and supplies that the students will be using and taking with them. These items will be purchased with the **\$120 art supply fee**. If a child took Ceramics last year they will receive different supplies to build up their art toolbox. The masterpieces that your child will be creating next year begin with these premium supplies and materials. Your investment in these supplies is invaluable and we appreciate your support in helping to grow the quality of the visual arts at Holy Spirit Prep.

The **deadline** for this payment is **Aug 8th** to ensure that your child will have the tools and supplies they need on the first day of class!

Please follow this [link](#) to pay online and select the Ceramics option. After filling out the required information, press Next, and it should take you to the steps for making your payment.

If you are on scholarship or these supplies fees are a financial burden, please reach out to me and we will work together to make sure that you have the supplies you need to be successful in the ceramics class.

Please let us know if you have any questions or concerns about the ceramic class or 3D class. We look forward to seeing you in person in August!

God Bless,  
Mrs. Alison Stone & Mrs. Caitlin Martinez
