[Link to Photography Supply Fees - \\$100](#)

Due: Aug 8th, 2023

Dear Students and Parents/Guardians,

I hope you are having a wonderful restful summer! You are receiving this email because you or your child has signed up for Intro to Film & Digital Photography in the Fall and Photo II in Spring.

[Click here](#) for the "Welcome to Film & Digital Photography" video where you will view many photography examples of my former student photographers.

Requirements for the Intro Photography class:

1. **\$100 Supply Fee** for student supplies relating to film/cyanotype photography **that will be ordered by HSP** to purchase Ilford film, Ilford light-sensitive photo paper, Archival digital prints, and archival sleeves for the film.
2. **Digital Camera** You will need to bring your own digital camera that has the capacity to select the aperture, shutter speed, and ISO. Students will be making their own pinhole cameras and will use HSP film cameras. (If you happen to have a film camera please bring it in for your use.)
3. There is also a **Supply list below** for students/parents to purchase relating to the digital imaging portion of the class.
4. **Personal Computer-** all photography students have special permission to use their personal computers in class. You will need a computer that has the capacity to run Adobe **Photoshop** and **Adobe Lightroom** classic license that will be provided by HSP. ***The Chromebook does not have the capacity to run these Adobe programs.*** [Adobe Photoshop Classic System requirements](#), [Adobe Lightroom Classic system requirements](#)

The **deadline** for this payment is **Aug 8th** to ensure that your child will have the art tools and supplies they need on the first day of class!

If you are on scholarship or these supplies fees are a financial burden, please reach out to me and we will work together to make sure that you have the supplies you need to be successful in the ceramics class.

Materials: Please bring these items every day to class!

1. 1” -3 ring Binder or folder with 3 rings for handouts and for your film protection sheets. (You need to bring it every day!)
2. **Digital Imaging Camera with a manual setting to select ISO, Shutter-speed (S or TV), and Aperture (A).** (Any brand will do, but I am most familiar with the Canon brand.) Example: Canon Camera T6 w/ 2 lenses \$449.99
 - a. Ex. Canon EOS Rebel T8, T8i, T7, T7i, T6i, T6, T5, T5i (DIGITAL single-lens reflex (SLR))
3. A **Digital Card** (SD or CF) for your specific camera (at least 8GB) (labeled with name) (Example SD card)
4. **A Card Reader for SD** (example link) for the kind of **card** your camera uses and the port that your computer can receive. If you have a recent MacBook you may need an adaptor for the USB port on your card reader. (Your computer may have an SD reader slot already on your computer. So please check this before you buy a card reader.)
5. **Camera case** with **your name clearly labeled**
6. **UV Lens Protector** (highly recommended and this protector is under \$10 to protect your \$300 lens!)
7. **2TB Portable Hard Drive** This is the one I personally use for my Macbook Pro but you are welcome to choose any hard drive that is 1TB or more for your computer. We will store and work off this hard drive so your personal laptop.
8. **A personal Laptop** to bring to class that can accommodate Adobe Creative Cloud. Holy Spirit Prep has purchased Adobe Licenses for each student to use the creative cloud.

You are responsible for bringing your camera every day. Make sure you charge the battery when you are low. You are responsible for backing up your files every day!

Please let me know if you have any questions or concerns. I look forward to meeting you soon!

God Bless,
Mrs. Alison Stone
