

2023-2024 Preschool Program

We offer a selection of a-la-carte options that will fit your family's needs. Our programs range from 6 months through PreK4 and provide a variety of days and hours that you may select. Centered on Christ, we recognize that educating the whole child really does matter. Our goals focus on providing hands-on, multi-sensory learning experiences and play activities that inspire spiritual, intellectual, social, emotional, and physical growth. We'll help build a strong foundation, foster a love of learning and prepare your child for Kindergarten.
